(4) Effective original date. Now that the objective document has been identified, dispense the date when it was active or effective. In many cases, this will be the same date that was signed unless its content indicates otherwise by naming a specific effect date. IV. Execution of correction (5) Declaration to amend. Check the content of the document that must be modified or corrected. Once the declaration that must be removed, corrected or modified, transcribed to the space provided. This report must be submitted precisely as it appears in the original document. 6) Correction of the declaration. The official declaration of substitution or amendment that the AFFiant wishes to apply requires documentation. Keep in mind that many will consider that it would not be prudent to issue too many corrections in a previous testimony or declaration, therefore, the AFFiant must ensure that it is sure that the correction is accurate and applicable V. Proof of Affiant Attem (7) Notarized Affiant Execution. The AFFiant implementing the correction above must sign the name of it under the direction of Notary Public. 8) Date of the amended declaration. The current date must be seal by AFFiant when signing this document. SAW. Notary thanks (9) Notarization. The notarization process will be carried out by the public notary that has observed the signature of the previous correction. This process will be shown as complete once the notary public provides the final section with the necessary information.
